Scores

SEMTECH

2025

Overall scores

Score visibility	Climate change	Forests	Water security
Private If you were requested by any Supply Chain members or Capital Markets Signatories, they can see these scores.	D	-	D
Public Visible on your organization's profile on the CDP website.	D	-	D

Category scores

Category scores are combined to produce your overall score. Some categories have a higher weighting than others to reflect their importance, which varies depending on your sector. Not all categories are relevant to every environmental issue. View scores guidance.
